

SPECIAL NOTICES

Special Notices contain notices of new requirements or major modifications of existing FLIPs. New notices appearing for the first time will be shown first. Notices will be carried in this section for the life of the information. NOTAM Info and submission deadline are permanent notices.

REVISED CENOR FLIP PREFACE

The CENOR FLIP preface pages have been revised. Most obvious changes are the new page "SPECIAL NOTICES" and the "INDEX" replaced by a "CHECKLIST". Instead of marking new, revised or deleted procedures with a vertical bar, for each procedure (as well as for all preface pages) a date is listed. This change was made due to online publication of single pages. The checklist will enable users to check if a specific procedure is still valid.
